

CORPORATE HAMPERS

2025-2026

A project of Nivesh Foundation for the welfare of differently abled persons - a not for profit company.

WELCOME TO THE CORPORATE HAMPER CATALOGUE

We are delighted to present our exclusive Corporate hamper collection, thoughtfully for the festive season. Each hamper features a selection of high-quality products made or value-added and packed by adults with special needs. This initiative is not just about gifting; it's about making a meaningful impact.

SNEH - Special need empowerment hub - working as a unique hub model with various NGOs and individual artisans, is committed to building capacity and creating sheltered employment opportunities for persons with disabilities. By bridging the gap between talent and opportunity, we empower close to 500 beneficiaries to gain financial independence and self-reliance.

Your purchase directly supports this mission. Every hamper you choose contributes to the livelihoods of the specially abled individuals involved in this project. These hampers are more than just gifts—they are a testament to the power of inclusion, dignity, and hope.

**Thank you for being a part of this journey.
Together, we can light up more lives this season.**
